ANNOUNCEMENTS

Our offering this morning is for **Valley Disaster Relief (VDR)**, a Christian faith-based team of volunteers who seek to spread the love of Christ by offering assistance for families who cannot afford tree services, whether it is a result of a natural disaster or simply an economic condition. While VDR offers disaster relief services wherever and whenever needed, the majority of their assistance is provided through tree trimming and removal projects concentrated around the central Iowa and Des Moines metro area. Their ministry is not intended to compete with commercial tree services but to bridge the gap for those who cannot afford this service.

**Men of all ages** are invited to an evening of **fellowship and food** on Wednesday, August 3, 6:30 p.m., at the home of Daryl Bouwkamp. Our purpose is to enjoy fellowship and to learn what interest there might be in a men's Bible study. If you know someone who is not a member of our church family and who might enjoy the fellowship and have an interest in a men's study group, invite them to come as well. Please contact Daryl Bouwkamp or Tim Franje with questions and to let us know that you plan to attend so we have enough food to go along with great fellowship!
