

David, the director of the orphanage, married his beautiful wife two weeks ago. She has been dedicating her life to serve the orphans and, the Lord willing, intends to continue to do so.

These boys have just gotten their free hair cuts from David.

You see the “Peoria Church” sign thanking you the rice, noodles, sardines, cooking oil, laundry soap, and toothpaste they could purchase with the very generous gift from Peoria. Thanks to God and Peoria, they have enough money to buy food at least through the month of February.

This is the rice field the orphanage has purchased for \$14,000 for which all of the money has been received. This building is a church whose pastor was once an orphan in the orphanage.

The man in the pink shirt is the pastor standing next to David. The owner sold the standing rice with the field to the orphanage. When it is harvested in January, the orphanage will be blessed with plenty of rice. The orphanage plans to plant coconut trees and establish vegetable gardens on the future banks of the fish ponds.

The pastor with his family. He intends to watch over and take care of the fish and the fish ponds once they are up and running. He will be a great help to the orphanage because this field is about 25 minutes by vehicle from the orphanage. We are amazed how God is orchestrating all things for His glory. Thank you, again, you wonderful Peoria people!
